Discover a tuition-free, public charter school that offers a world-class liberal arts education tailored for students in grades 5-12.

At The Schools for Advanced Studies, we believe in nurturing the leaders of tomorrow through:

A World Liberal Arts Curriculum:

Delivering a diverse and enriching curriculum, based on an expansive reading list to stimulate thoughtful discussions.

Seminar-Style Classes:

Facilitating lively discussions and critical thinking that harmonizes with civility and acceptance of differences.

Service-Learning Projects:

Integrating community service with academic learning to develop responsible and engaged citizens.

Small School Environment:

Providing a supportive educational experience and a strong sense of community.

Advisory Groups:

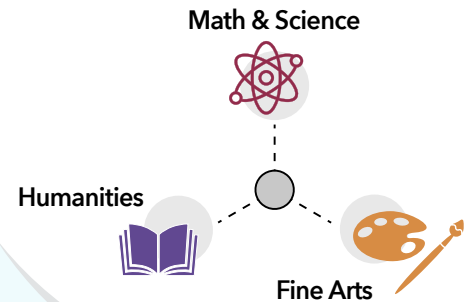

Peer-to-peer and faculty mentors to foster social connections, assist with academic decisions and provide support.

Daily College Counseling for Seniors:

Providing personalized guidance to ensure every graduate is prepared to navigate the path to higher education.

High School Concentrations:

Students choose from Humanities, Fine Arts, or Science/Math to receive immersive instruction in the area of interest.
